Alexander

**Individual
Records to
Break !**

**Affordable
Family
Fun !**

HIGHLIGHTS:

Green Games: All of our games are made with recycled materials from houses we have built. All are centered around the theme of building.

Meet Families: Partner families who purchased houses from Union-Snyder Habitat will be there to meet you.

Inflatable: This is your chance to sumo wrestle with Dad... or to sword fight (your choice).

Building Partnerships: Our event is a family event in many ways. Our community partners and local businesses are helping us bring this event to you.

Beam Signing: Sign the starting beam for our next house.
